FROM THE PRESIDENT

Hello Members,
 As we approach the middle of the 2021 season, I would like to take a moment and thank all the workers and volunteers that keep our park up and running and provide entertainment for our members and their families. This year, we will have our fireworks display back after a year without them because of the Covid. I would caution all members that we need to look out for each other, especially when we have a large crowd in for the Holiday weekend. Please watch your speed in the park. It is 10MPH. We have a lot of little children, and we do not want anyone hurt. We will be enforcing the speed limit, checking for underage drivers, and for drivers to be obeying our traffic signs.

I have seen several people on golf carts and motor vehicles speeding throughout the camp and going through stop signs. This is unacceptable behavior and will not be tolerated. Please, watch your speed and don't be afraid to ask someone to slow down. If you have guests coming to visit, please get a guest pass. Anyone caught passing their gate cards will have the card confiscated and you will be charged the guest rate anyway. Keep in mind that the rubbish dumpster area is open between the hours of 8:30am until 7:30pm. Pursuant to BOD motion, you will be fined \$100.00 for dumping after hours or leaving any rubbish in front of the gate.

NEW RULES

There was a new Rule Vote on July 4, 2021. Please stop at the office to receive a copy of our **New Rules** and please share with your Families and Guests.

Continued from page 1

With the influx of guests on a Holiday weekend, our resources are taxed to the max. Please do not leave on lights or air conditioners that are not being used. Remember, it's your money that pays the bills. If the costs go up, so do your dues and assessments. Please enjoy your time and your friends and family this weekend and be safe with your family, friends and fellow members.

In closing, I would like to thank the members for letting me serve them for the last 15 years. I am leaving the BOD after the end of my term this September. I wish continued success to the current BOD and the new members that may wish to run for the Board. Thanks to all for your continued support.

Bob Villella - President - G Section Rep / Security & Management & Lake Committee Liaison

FROM YOUR SECRETARY

Hello everybody. I am currently the Secretary of the Board of Directors, in charge of Election. This year we currently have the following seats up for Election.

Chris Mooney's B-Section Seat is up for a 3 year term, Bob Villella's G-Section Seat is up for a 3 year term, Keith Edward's H-section seat is up for a 3 year term, and Linda Revetta's Director At-Large seat is up for a 1 year term. If you are considering running for any Section, you must be on a lease in that Section. As for the Director At-Large, you can be a member from any Section. The petitions will be ready for pick up on July 10 in the Office. You will need to sign them out yourself and return them with the proper number of signatures, yourself. It is always helpful to get more than what is required due to someone that may not be on a lease and that signature will not count. All petitions have to be turned back in on August 14 at the close of business. On August 15 at 12pm in dining room, the Committee will verify all petitions. If you are running and are part of the committee, you will not be allowed to take part in any actions. If you hand your petition in, you can attend this meeting. The Meet the Candidates will be held on August 28th at 2pm.

Absentee Ballots will be prepared and ready for pick up on August 21st. You will need to fill out the correct paperwork to receive them. They will be handed to you with instructions. Please follow them. If the envelopes are not filled out properly, they WILL BE VOIDED.

Any questions or concerns on any of this. Please reach out to anyone on the Nominations & Elections Committee. Thank you.

Mike Grady - Secretary - D Section Rep / Nominations & Elections, Vehicles & Store Liaison

FROM A SECTION REP

I would like to say thank you to everyone who has been doing an amazing job on Chit Chat Park. It looks great. It is much appreciated when you see members working together to beautify the park.

I want to remind everyone that we really need to put Lot numbers on your trailer that will be visible from the street. This helps not only other members, but also emergency services in time of need. We have had a few calls in camp this season and it has been brought to my attention that we could use street signs. At the time of this writing, I am working with the Teen, Youth, and Wi-Fi committees to come up with some plans to present to the BOD for updating the park street signs. I hope everyone has a safe and fun 4th.

John McFadden - A section representative

FROM C SECTION REP

Hello fellow C campers so far, we've had an amazing season. I hope that everyone is enjoying the beautiful weather. Our committees are working hard to bring some great events to our campers, and I hope that you are all enjoying all the wonderful things planned so far. Please let our committees know what a great job they are doing at these events as they are all volunteers working to make sure that all members are enjoying the camping season. I would also like to thank Carol and Ron Scott for the great job they did fixing up Chit Chat Park, it looks beautiful. I hope everyone enjoys the rest of their summer! Thank you.

Kathleen Ference - C Section Rep / Social Liaison

FROM D SECTION REP

Happy MCA 4th of July everyone! I'm sure everyone is excited to enjoy our most fun holiday weekend. I would like to make everyone aware that with the *New Rule Votes* that were made last week, Rule 205 has been changed.

FROM TEEN/YOUTH/WIFI COMMITTEE

Wow, I can't believe the summer is at a halfway point; it seems like just yesterday we were cleaning leaves off the lots and making plans for all the fun summer activities. Our Wi-Fi, Teens, and Youth Committee are happy to be hosting the Friday bingos and giving back so much to our players who have supported us throughout the years.

We want to remind everyone to please be kind and attend as many events as you can. It takes a lot of hard work and time away from our families to be on the Committee's and to run the events so the money you donate is appreciated and does go back into the camp. Everyone have a safe and fun 4th and hope to see you all around.
