Mark McFadden - A-025 / 2016

Well here it is Memorial Day weekend already, the official start of the camping season. I hope everyone had a safe and healthy off season. For those members that we lost during the off season, our thoughts are with the respective families. Everyone involved in the day to day operations has been working very hard all year to get camp ready for the start of the new season. We had some issues this year getting our seasonal staff hired and that has delayed some projects but at this time most of those issues are behind us. Please respect all staff members and report any concerns to the office or to your BOD rep for resolution. Some quick updates: we received final approval from the DEP in early April for the permit for our new sewage plant. Since then our engineer has been completing other permits needed by local government authorities for the construction of the plant, as well as preparing for our final bidding process. This phase will take a few months and we are still hoping for construction to begin this fall. Our security company began providing coverage in April and will have some expanded hours over the course of the season. We also upgraded our video surveillance in some areas of the campground and we will use the surveillance as needed. Many committees have exciting events planned for the season. Please support our committees and consider donating some time on the committees of your choice. I am sure each liaison will cover some of the plans in their articles within this newsletter. Our website was launched over the offseason [www.mccamplands.org](http://www.mccamplands.org) and this site has both an open to the public section as well as a members only section. Within the members only section, items published are Rules & Regs, By-Laws, BOD minutes, ect. This will be the official communication vehicle used by the BOD, and we will begin using Facebook much less for BOD communications.

Enjoy the season!

Bill Yanosh - President

## COMMITTEE LIAISONS

**Board Of Director  
Meetings  
First Saturday  
of every month  
A-Frame Dining Hall  
9:00am  
ALL MEMBERS WELCOME**

### \* DBD Camp Store \*

Welcome back Debbie and Tony Callahan to run the MCA store again this season. The store is for the convenience of the members. They have a full service menu which can be accessed on our new website and on the Facebook page CAMP STORE. You can purchase groceries and enjoy a lot of fresh goodies in the pastry department. Please stop by and say hello and try something.

Bob Vilella  
G - Section Representative  
Store Liaison

**Please be courteous to our office staff!**

**They are not permitted to address your complaints and concerns. Please fill out a Speak and Be Heard or you may make a note of your concerns that will be placed into the mailbox of your Section Rep**

**Your Section Rep will then contact you.**

### REMINDER!

**UNDER NO CIRCUMSTANCES WILL CASH IN EXCESS OF \$25.00 BE ACCEPTED AT THE OFFICE!**

**YOU MUST PAY BY CHECK OR MONEY ORDER ONLY!**

Also, please ensure that you get a receipt for all money transactions that you make in the office.

## FROM THE VICE PRESIDENT

A big **welcome** to the 2016 MCA camping season. Let me say, that we are looking forward to another great year filled with good memories for you and your family. I would like to say that while enjoying your camping season, there are a lot of people in the background working very hard to ensure that we have fun activities for all members to participate in. Whether they are a member of the office staff, the maintenance crew, and all the volunteers that give up a portion of their time all year to ensure we all have a good time at camp. As usual though, it is important that we touch on some aspects that need your attention. We are going through changes and trying to adjust to the new challenges that confront us all. Please make sure you have lot numbers on your site. This is very important if an emergency arises and it is **your** rule. Also make sure you have them on the front and back of your golf cart. It is **your** rule and will be enforced throughout the season by security and other members. Watch your fires and do not leave them unattended for any length of time, as we all know from a couple years ago could be a major disaster. Have a water source close by and **no burning** on windy days. Please keep your eye on yours and your neighbor's lots like a neighborhood watch. This can help cut down on the instances of vandalism.

One more thing I would like to address to the membership; Please **DO NOT FLUSH RAGS, DIAPERS, PAPER TOWELS, FEMININE PRODUCTS, BABY OR SANITARY WIPES** or any other items that CAN and DO clog our sewer lines. When we get a clog, every campsite on that line is disrupted as we search for the clog, have to clean out and repair the line. This is a waste of **your** resources and may disrupt your weekend until it is fixed. Our current sewage plant and also our new one that is being built are not equipped to handle these items. Please think before you flush.

Be a **good** neighbor. Have fun and if you are looking for something to do, come to see me, as I have a lot of projects on the table this year. I would gladly accept any and all who would like to help.

Thank you in advance.

Bob Vilella - Vice President / G-Section Representative

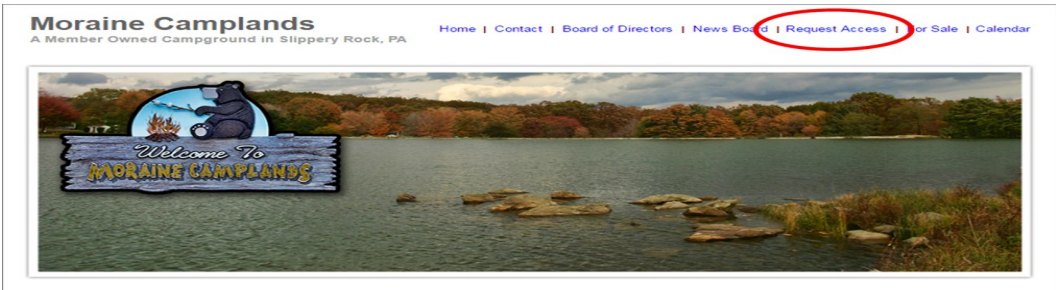

## FROM THE SECRETARY

Hello! Hope everyone had a good winter. It's great to be back at camp for the upcoming season. We have a full office staff now that is all new. Please give them the same respect that you would want to receive. I have been your Secretary for a little over a year and a half. I am still learning things, but I want to ensure you that I always have the best interest of the members. If you see something happening that shouldn't be happening, please fill out an "Incident Report", or if you would like to voice your opinion on a specific matter, fill out a *Speak and Be Heard*. By filling out this report, your Board of Directors and I can rectify and solve the problem. Without these reports, nothing can be done, and because of it, a lot of things that go on are left unsolved. If you need help with either report, or are not sure of which one to fill out, please contact me.

Mike Grady - Secretary / D-Section Representative

### Reminder from the BOD

All lots **not** having a \$.00 (zero) balance as of 5pm, June 30, will have their gate cards locked out per procedure.

**Get Online to our new website  
MCACAMPLANDS.ORG**

To request access to the Members Only section, click on “Request Access” from top of the main page. You will be required to fill out your name and your lot number etc. If you have not been able to access the request and enter at this point, shut your computer all of the way down, restart and once back on the camp website click on request access from the bottom of the page. Once you have gone through this process it could happen immediately or may take three or four days for you obtain access to the entire site. We all need to remember that this is all volunteer work and you may have to wait a few days for access to be obtained. So much information is on this page; meetings, minutes, rules and regulations, etc.

Please remember: User names and passwords are case sensitive.

Thank you for your patience.

Linda Revetta - A Section Representative

**FROM WIFI COMMITTEE**

Last year we had some great volunteers that helped make the Wi-Fi system stronger in more places. We are hoping to maintain this and continue to improve the system for our members in 2016. We would love to have a few more campers that are interested in volunteering to help us connect equipment to the system. This would help us to speed the process. If you are interested, please sign up on the Committee sheet at the office and if you have questions as to what you would be required to do, you are more than welcome to call the Committee contact number and we can explain. It is a very simple process and we can teach you how to connect the PC’s or tablet’s so no expert technical knowledge is necessary. For those who would like to connect their device please sign up and pay at the office and they will give you instructions on how to be connected.

1st device - \$40    2nd device - \$20

We don't hook up any phones or streaming devices, we just don't have the bandwidth for it. We don't connect anyone on holiday weekends due to the high volume of people at camp. Please remember to turn your Wi-Fi off on your non-connected devices.

Everyone have a great camping season, enjoy your family as we will ours!

Thank you from the MCA Wi-Fi Team - 724 374 4106

Andi Criscella / Wi-Fi Committee Chairperson – C-610

**FROM INSPECTIONS COMMITTEE**

Our committee will be riding around the campground looking for your A/C and extra refrigerator stickers. They are to be displayed in your trailer window. We will also be checking for your electric golf cart sticker, insurance sticker and lot number (front and back) on your golf carts. Also, please clean up your lots and have your lot number displayed so that it is visually easy to find. It is for your benefit.

Please comply with your rules.

Eric Shumaker  
Inspection Committee Liaison

**FROM ARCHITECTURAL COMMITTEE**

Our committee has been working very hard the last few months to catch up with old permits (some dating back to 2014) and conducting inspections for all the new applications. I'm glad to say that as of May 8, we finally got caught up and there are no pending permits. I would like to acknowledge Bob Villella, Bill Oyler and Denny Kingston for their time and effort to get this done. Now that we are caught up we hope to stay on top of it.

Eric Shumaker  
Architectural Committee Liaison

## FROM POOL COMMITTEE

The Pool Committee will once again be having the annual Beach Party along with the Anything That Floats contest on August 6, starting at noon. Start designing your craft now!

We are in need of volunteers for our pool committee, please sign up at the office or contact Sierra Seibert.

Thank you.

Bill Oyler

B Section Representative / B-6  
Pool Liaison

## FROM ADULT LOUNGE COMMITTEE

I would like to inform you that after a lot of research to stay within our budget a new bowling machine has been purchased for the adult lounge. We still need a lot of people for the Tuesday and Thursday bowling leagues, sign-up sheets are in the office. The adult lounge is available for use by any camper that is on their lease. Go to the office, let them know what time you want it open, fill out the info sheet with you name and lot number. It will be inspected before it is opened and after you close it for damage and cleanliness. There is no charge for it's use. Please be respectful of the machines and the facility.

Bill Oyler / Adult Lounge Liaison

## FROM B SECTION

Once again Lou and Debbie Campbell will be having the annual B Section picnic on August 20th. The picnic is open to all campers, lots of fun so plan to attend. Lou will post more details on the MCA Events Facebook page and I will give more info in the July 4 newsletter.

If anyone has any questions or problems, please let me know. I am at lot B-6 and I will try to answer or find out the answer to your questions and will help find a solution to your problems.

Bill Oyler / B Section Representative B-6

## FROM C SECTION

Welcome back campers for the 2016 season! I am looking forward to a great camping season as your C-Section Representative. If you have any questions, concerns, or problems, please stop and see me at C-12. If I do not know the answer, I will be sure to find the answer for you. All of our committees are still in need of volunteers, even if you could just help out a few hours one weekend, it would be greatly appreciated. I am also your Social Liaison and Wi-Fi Liaison and welcome any event suggestions and appreciate your support at MCA.

Cassie Hellmann / C Section Representative

## FROM D SECTION

In our D-Section over the past few months, the maintenance men have been working very hard. Jon & crew installed new storm drains, repaired water breaks and also dumped and spread gravel in front of our bath house. Our bath house is one of the nicest ones in the campground due to members from our section taking pride in it. Let's keep up the good work and have a safe and happy season! Thank you and God bless!

Mike Grady / D Section Representative

## FROM H SECTION

I would like to start off by introducing myself to the members of H Section at MCA. My name is Keith Edwards and my lot number is H 21. My wife, Faith, and I have been members of the MCA for about 8 seasons. We do enjoy the campground for what it has to offer. I am the H Section representative and the Rules and Regulations Liaison until the next election in September. I have chosen to be the eye, ears and voice for all H section members and will express your thoughts, concerns and ideas to the MCA Board of Directors this camping season.

This also includes the concerns of the entire MCA regarding the Rules and Regulations. The committee is currently reviewing and discussing possible updates and or revisions to several of them. I am also asking all of the MCA members to express their views and thoughts on the MCA's current Rules and Regulations with the hopes of enhancing the safety of the entire MCA community.

I would like to say thank you to the MCA community for this opportunity in making this a safe and enjoyable 2016 camping season.

Keith Edwards / H Section Representative / Rules and Regs Liaison

## FROM MAINTENANCE COMMITTEE

I would like to discuss projects up for consideration in the campground this season. First I would like to thank everyone in advance who is willing to get involved.

1. We are going to paint the bridge over to the island before Memorial Day weekend. It will probably have to be during the week as we don't want to close off the island for the day but we will if we have to.
2. We have an unsung hero (who does not want to be pointed out and I will respect his wishes) who has been sanding and painting the fence along Staff Road. Hats off to this member who volunteered to do this. If you see him and want to help, let him know. If not, at least pause and say something nice. It doesn't cost anything and it is a hard job to do by yourself..
3. A real ambitious one here folks We are going to prep and paint the entire back of the A-Frame building, get rid of unsightly wires, pressure wash the building (before painting), and the roof over the garage. Here is where we need the help the most as this is quite a project. I am trying to avoid spending maintenance crew labor dollars on this or at least keep it to a minimum. They are concentrated on other projects throughout the campground.
4. Lastly, I would like to again thank the people who took it upon themselves to clean up one of our playgrounds. There are actually many people who do this type of thing around MCA on a daily basis, not for attention, not because they want something from us, just people starting to get involved again like it was when I first became a member 15 years ago. So, let's enjoy our camping season and yes we will be working on the A-Frame ladies room in the fall. We have hired 2 new maintenance staff and a comfort station cleaner. Please, say hello if you wish, but do not tie them up in conversation as they have work to do. If you have any questions, ask Jon when he is out and you see him, or ask me and we will try to help you. You can also leave a message at the office in our mailbox. Please report anyone you see committing vandalism in your campground facilities. It is your money that will be spent to fix any damage so lets all be a little diligent. Thank you!

Bob Vilella - G-Section Representative / Maintenance Liaison

## FROM LAKE COMMITTEE

The Lake Committee will be concentrating on fixing up the lake this spring and summer. We will be repairing benches and replacing wood. We have added signage to our lake that states the lake is "FISH FOR FUN ONLY!" All fish must be released back into the lake. With the funds we raise this season we hope to be stocking the lake with fish. We would love to put bass, crappie and perch into the lake. We as a committee need your help. Please come out to our events and support our functions.

To raise funds we will be having many food events and bake sales. We are also selling T-Shirts and Sweatshirts. Order forms will be available at lots H-13, D-95, D-96 and D-126. Cutoff date for the first order will be June 5, 2016. Payment due with order. If there is enough interest we will have a second order in July. We are also selling car magnets, they are very nice and have MCA on them. The Lake Committee has some fun events planned throughout the summer! Anyone who wants to join the Lake Committee please sign up at the office. If you would rather not be on committee just show up and we could still use your help! Thank you very much!

Jim Hogue - D section Representative / Lake Liaison

## FROM CHURCH COMMITTEE

Welcome back  
MCA Campers

This is an invitation to all of you to join with us at the *Non-Denominational* Church service every Sunday beginning May 29 at the A-Frame

9:15am

*Coffee, Donuts & Fellowship*

9:45am

*Service Begins*

Come and be a part of this growing ministry.

MAY 29 - DAN SNYDER (Communion)

JUNE 5 - JIM BRAUN

JUNE 12 - DAN SNYDER

JUNE 19 - NOVELLA PICKINS

JUNE 24 - CHRISTIAN HYMN SING

JUNE 26 - MIKE CAMPBELL (Communion)

JULY 3 - JIM BRAUN

JULY 10 - DAN SNYDER

JULY 17 - RIVER

JULY 24 - MIKE CAMPBELL

JULY 31 - JIM BRAUN (Communion)

AUGUST 7 - DAN SNYDER

AUGUST 14 - RON DROSKI

AUGUST 21 - DAN SNYDER (Communion)

AUGUST 28 - RIVER

SEPTEMBER 4 - DAN SNYDER (Communion)

SEPTEMBER 11 - STEEL CITY

Last but not least for you ladies, there is a Prayer meeting at 9:30am every Friday starting May 27.

Refreshments are provided.

Bill Campbell / D-160

Barb Bane / D-2

## **SLOW DOWN**

The speed limit throughout our campground is 10mph. This applies to all vehicles, golf carts and bicycles.

## **RELAX**

Grab a towel and lounge at the pool or lake. All children under the age of twelve must be accompanied by an adult

(This means age 11 and under)  
Everyone at all times must adhere to the rules and the instruction of the lifeguards.

## **ENJOY**

Fish at the lake, play some bocce. Enjoy a nice walk through the camp. Shake it up at the Saturday night dance.

Have fun all day and evening long. Please remember, Quiet hour begins At midnight

## **Support Our Fireworks**

The rocket located in the camp store is for donations that are contributed to our 4th of July Fireworks.

**Please Donate Today!**

## **FROM SOCIAL COMMITTEE**

Welcome back campers!

Social is excited to have many events and activities planned for your summer fun. Social Bingo started on Saturday, April 16th and will transfer to Friday night Bingo on May 20th doors open at 7pm, Bingo starts at 8pm. Please come support your Social Bingo and give Gioia Mangis a big "thank you" for making the 2016 Bingo season possible.

Throughout the summer, Social is always looking for donations and volunteers to make all events possible. Without the campers help, these events and activities would not be possible. This year Social has a lot of new and different activities planned for your enjoyment. Some of the new events lined up for the summer include; painting with a twist, corn hole, bake sale, BBQ fundraiser, country line dancing, pony patty bingo, and more. Please consider donating a few hours to an event listed above so that all events can be a success at MCA.

Your Memorial Day line-up includes a weekend of fun and activities. Please come out and support your MCA Social Committee and join in the fun. Over the Holiday weekend we will be having Bingo on Friday. Saturday, we will host a Bake Sale (donations welcome), Corn Hole Tournament, and a band on Saturday night featuring Shade 10. Sunday's line-up includes; Country Line Dancers, Painting with a Twist (\$35/please pre-register with Doug at H-513 (412-689-6841) or Gioia Mangis at D-130). To close out the weekend, DJ Mike Chuba on Sunday evening at 9pm. Please see the Events Calendar for more details.

During the Holiday weekend we will start selling the Pony Patty Bingo tickets for the event on July 2 and tickets will also go on sale for the Meat & Money Trivia which will be pulled on Labor Day weekend. See any Committee member for tickets. Thank you for supporting your Social Committee this season and we look forward to a wonderful summer.

Doug Cumens / Social Committee Chairperson H-513

Hello Campers!

Bingo is in full swing and going great. Bingo is every Friday night. Doors open at 7 and first game begins at 8. Come join the fun. If you are able to make it to 12 bingos this season you will be eligible for our free bingo on September 11.

We are always looking for volunteers to help out selling specials and at the front table before bingo begins. If you can help for just one Friday, it would be greatly appreciated. Please let me know so I can put you on my schedule.

We look forward to the upcoming camping season.

Gioia Mangis / Social Committee Treasurer D-130

This year we started off slow, but Doug Cumens H-513 and Gioia Mangis D-130 stepped up as our Chairperson and Treasurer and have a fun-filled schedule for the 2016 season. A big "thank you" to both of them for stepping up! We are still in need of volunteers for the committee and would appreciate any and all assistance that our members can help out with. Please consider signing up in the office or just donating a few hours on a weekend helping out with bingo or a dance. The more help received the more fun everyone can have. Please see the Events schedule posted on our website [mccamplands.org](http://mccamplands.org) or at the office.

Cassie Hellmann / Social Committee Liaison C-12

## FROM YOUTH COMMITTEE

Welcome back members! Are you ready for another fun filled season? WE ARE!

Your MCA Youth Committee has worked hard during the off season to prepare many exciting events for our youth. This year we are all about family! We love watching both parents and children enjoy every single event that we organize and we hope that all of you take advantage of the wonderful events coming up this season. First off, I am so excited to announce that Youth Wednesday Bingos will begin June 1. Doors open at 6:30 with bingo starting at 7:00. I want to send a special thank you to John and Judy Gould for continuing their support and dedication to our MCA Youth. Also, volunteers and donations are always needed! Any donations can be brought to lots D-150 (Dawn) and E-79 (Anita). Volunteer Sign Up Sheets will be available at every youth function and in the office. Please consider signing up for one of our events. Trust me, it's worth it!

A few things will be changing this year, so please bear with us as we are always trying our best. The last few years our Friday movies have decreased in numbers, so this year we will be doing a Monthly Friday Night Movie. Some months they may even follow one of the Monthly Candy Hunts. Our first movie of the season will be May 28 at dusk behind the Teen Rec. Bring your blankets, snacks and family members to enjoy a movie without admission. Also, our Youth Pool Parties have turned into Family Pool Parties. Your MCA Youth committee pays for all lifeguards for the pool to be opened during these special hours. The pool rules are also stricter during evening pool dances. We take child safety very seriously and we do not hesitate to remove a child if it is in his/her best interest. We try not to refuse any child, but during Youth committee events **all children must** be accompanied by an adult. There is also **no smoking** and **no alcohol** allowed.

A few times last year events had to be cancelled or times had to be changed at the last minute. Please know that we never like to cancel an event but sometimes things are out of our control. For movies this year, if one is cancelled because of weather, it will be showed the following weekend. Pool parties will be cancelled only for thunder/lightning. We will post any cancellations on the MCA Events Facebook page and are still in the process of getting the ok to post on the new website.

Sign ups for "Lunch with Santa" will begin on Saturday, May 28 and run until Sunday, July 3. You can sign up at lots D-150, E-79 and at DBD Camp Store. Also, there will be an opportunity to sign your child up at every Youth Function. Children are \$5, Adults \$3. **We will not, under any circumstances, take names or money after July 3.** Money is also due at the time of sign up. As you already know, this event is the largest of the season and we need those weeks before to prepare ourselves. I hope to see all of you Sunday, May 29 at the Memorial Pavilion from 9am-11am to kick off our first fundraiser of the season. Every day is a great day when you start with a plate of pancakes and donate towards a great cause!

Thank you,

Dawn Grady / Youth Committee Chair D-150

Pennsylvania Law now mandates that volunteers working with children are required to obtain a **"Child Abuse History Clearance"**. For information regarding the clearance please visit [www.KeepKidsSafe.pa.gov](http://www.KeepKidsSafe.pa.gov). Individuals seeking clearance can go directly to [www.compass.state.pa.us/cwis](http://www.compass.state.pa.us/cwis) to create an account and apply for their child abuse clearance electronically. You must also obtain the PA Criminal History Check, this can be done online as well at [epatch.state.pa.us](http://epatch.state.pa.us). There is no fee and under the guidelines not everyone is required to have the clearance but the more we have the easier it will be for us to create fun activities for our Youth.

On Saturday, May 7, Westmoreland County held their Special Olympics at Norwin High School.

**Brian Homick / B-54** competed and won 3 gold medals! He participated in the following events:

- \* Shot Put
- \* Javelin Throw
- \* 100 Meter Dash

Dawn Grady

Youth Committee Chair D-150

## FROM TEEN COMMITTEE

We are still in a strong need of volunteers. So far we have 2 people signed up but are in need of more to make Teen activities happen. Even if you are able to just involve yourself with a few events, that time would be greatly appreciated. You may sign up at the office and even list the dates you would be available. Also, share with your teen that we are also willing to explore their ideas and let them help with gathering their friends to make a great day of fun happen. You are also welcome to contact me at A-25 as well.

Mark McFadden

Teen Committee Chair A-025

**DSC Insurance Agency**

can give you peace of mind. Our lives evolve and change daily. Your insurance changes constantly as well. At DSC, our goal is to make this constant evolution a bit easier!

Portersville PA 16051

[www.dsc-incorporated.com](http://www.dsc-incorporated.com)

**FROM RULES AND REGS COMMITTEE**

Welcome back everyone! We are excited to have an active committee again this year and have been working hard on updating your MCA Rules and Regulations. During recent meetings we have been discussing the update of Rule 208, Rule 405, Rule 807 and a possible new rule addition regarding major rule penalties. These proposed changes will go to the BOD for their approval in June. The vote for rule changes is scheduled to be held on Sunday, July 3 at 2pm in the A-Frame. Please look for more information in the coming months regarding the vote. Please come out and vote! The campers are the ‘voice’ of our Campground.

Cassie Hellmann / Rules and Regulations Committee Chairperson - C-12

**FROM SPORTS COMMITTEE**

Sports Committee we be holding it's “Golf Balls in the Raft” competition Saturday May 28, 12 - 3:00pm. Please come and join in the fun.

Horseshoe tournament will be held Sunday May 29, 1:00pm at Memorial Pavilion. Cost is \$5.00 per person and there will be cash prizes.

We will also be hosting our Annual Golf Outing at Green Meadows Golf Course on Saturday July 16. First tee time is 7:40am.

The entry fee is \$65.00 and includes golf fees, hot dogs at the turn, dinner, and beverages.

All teams are picked at random.

Sign up at H-031( Denny or Sue Kingston ), H-35 (Dave or Alice McLaughlin), E-029 (Jake Miller)

Denny Kingston / Sports Committee Chair

**SPRING CLEAN UP**

**Welcome back Campers!**

Yes, we are all excited and ready to have some fun but keep in mind the importance of cleaning up our lots.

Clean up your leaves... Not only a camp rule, but very important to the safety of our campground.

Place your leaves into disposable, paper leaf bags. You can place these bags as they are in the leaf pile at the dump.

If using plastic garbage bags, you must empty the leaves from the bag into the pile. **No plastic bags** are to be left full in the leaf pile. Please be courteous to your neighbors. Do not blow leaves toward your neighbors lot or onto the street for the wind to disperse them.

**NO BURNING LEAVES!**

It is in violation of the camp rules and also very unsafe for our campground.

**Call us now for a  
Free Estimate**
