FROM THE PRESIDENT

Happy Spring and welcome back MCA Members to the 2018-19 camping season. I hope everyone had a safe and warm winter and that all are well. I hope everyone is as excited as I am to get back to camp. There has been a steady stream of things going on behind the scenes as there is every year to get the park ready to open. Our employees are of the highest caliber and work very hard for our membership. My fellow Board of Directors and the Member Volunteers that help out even in the winter have also been working hard to provide fun and activities for all of us. They will inform you of the upcoming activities that they and their committee's have started working on for you. As we say every year, the things going on that you pay for could still not be accomplished without the hard work of our volunteers. The cost to be a member at MCA could and would be much higher without our volunteers. Hopefully you will be able to donate a little time to help provide all with fun and activities this year. It can be as much or as little time as you want to donate, and would be appreciated by all. So, let's all arrive safely at MCA, open our camps and get ready for the fun!

Bob Vilella - President / G-Section Representative / Maintenance, Security and Mgmt Liaison

We have hired Rhino Security Co. to provide security at MCA this year.

They presented themselves to the BOD and briefed us on their company and the service that they will provide. Their presentation was impressive. Please make them feel welcome.

FROM THE SECRETARY

As one of your D Sections Representatives, and the Secretary for the Board of Directors, I would like to welcome everyone back for another wonderful year at MCA. As you already know, there are numerous projects that have begun last year and are being finalized. We have appreciated your patience during these projects and hope that you take the time to thank Jon and our maintenance team for all their hard work during the winter months.

I want to thank everyone in D section that took the time to reelect me as one of your Board of Directors. I take this job very seriously and again, will do everything I can to vote for the members and voice their concerns. I am always available to talk about any concerns you may have and answer questions to the best of my knowledge. I would rather be confronted with your questions and take the time to answer them in person than hearing rumors. I ran for the board to make a difference. Not just a difference in my own section, but for all of MCA as a whole.

Mike Grady - Secretary / D-Section Representative / Sports, Architectural, Nominations & Elections Liaison

FROM THE TREASURER

Welcome campers! It was a very busy off-season as we spent many countless hours negotiating contracts and researching insurance options for our employees, along with planning many upcoming and ongoing projects.

As you are all aware, the 2018-2019 budget was passed and approved at the March BOD meeting with an increase of \$60. The entire Budget committee worked very hard this year to keep the increase to a minimum. I would like to thank everyone involved in continuing to make MCA a better place for our members.

By the time you will be reading this, we will be heavily involved in our yearly audit. It is a very busy and important time of the year. Myself, along with the office manager, bookkeeper, audit & budget committees, all come together to ensure that everything is in order. This year we have a new Auditing firm from the Grove City area; McGill Power Bell. The final report and Financial Statement will be shared at our annual meeting on Sunday, July 8.

If anyone is interested in the obtaining a copy of any of the Budget reports and/or meeting minutes, please stop by the office and request a copy for a nominal charge.

I would like to take a moment to thank all of the members who took the time to complete the insert that was included with your Due's Notice. This helps us maintain our database and keep all of our files up to date for the 4 regular mailings that are distributed each year. It is your responsibility to keep your personal data up-to-date, pay your dues in a timely basis and updating any optional assessments that may change on your Lot.

In June, we will be sending out an Invoice to those who have an outstanding balance to help ensure a timely payment before the July 1 lockout date and we begin the proceedings to the Magistrate. Reminder, if there are any questions or concerns, please do not hesitate to reach out to me - C-012 or via email at clhsmokey@gmail.com.

Cassie Hellmann - Treasurer / C-Section Representative / Audit, Budget, Wifi Liaison

We would like to extend our deepest condolences to our "MCA families" who have lost a loved one.

FROM DIRECTOR AT LARGE

Your Feedback is Important!

Welcome back to the 2018 Camping Season! The Board of Directors has been meeting all winter, trying to come up with plans of action for continued improvement and upkeep of our campground. Sometimes it is hard to see all the work that goes on over the winter just to keep the campground running. Many thanks to our maintenance crew and many volunteers who work so hard to keep MCA beautiful. In keeping with that thought, there comes a time when we need to hear from the general membership on items regarding campground upkeep, improvement, activities and services. Enclosed with this newsletter you will find a brief membership survey. Please take 5-10 minutes to fill it out and let us know how we are doing and what we can do better. This is our campground, so we want to hear from as many as we can to make sure our budget, your dues, are going to what is important to you. Thank you for taking the time.

The survey is on pages 13 and 14. Please detach from the newsletter and return to the office, or put into the mail.

Patty Conlon - Director at Large

FROM B SECTION

I would like to take this opportunity to welcome everyone to the new camping season of 2018. Our maintenance crew Jon, Dave, Tyler, and Dylan have been working hard to complete our camp projects before the season starts and will continue the daily upkeep through out the year. Please give them a wave and a thank you for their efforts. Plenty of events are planned for us by all our committees, so please try to support, and if you have time, volunteer to help at any of the scheduled events.

I give my yearly plea to please conserve electricity. If you are not using it, turn it off. Be diligent, when you are leaving camp turn off your A/C, TV, radio, and all lights inside and out. We all need to contribute to this effort to stop the misuse of our electricity.

I'm hoping you all have a fun and enjoyable camping season this year. If you have any questions or problems you can contact me at lot B-6. I will do all I can to answer or solve your concerns. Thank You.

Bill Oyler - B section Representative / Pool, Vehicles, Adult Lounge Committee Liaison.

FROM D SECTION

Hi all! I hope everyone is ready for a great camping season filled with new and old activities. Our new committee members have been hard at work preparing their events to suit all of our members. Sunday May 27 a small group of MCA members are planning the MCA "Stronger than the Storm" pig roast fundraiser for our fire victims. Stay tuned for more info on this event!

Please take notice of the 2 scrolling LED boards that were purchased by last year's Lake committee. One sign is located at the office and the other is located at the A-frame. These boards will be used to keep members updated on activities going on throughout the camp, and any important information that we need to get out quickly to our members.

Earlier this year the BOD created an Informational page on Facebook, please search for MCA BOD Informational page on Facebook and join. Please note you must be a lease holder to view this page. The page was created to keep our members informed about our monthly board meetings, meeting minutes and other information that members may be interested in knowing. Our members voted us in to these positions and I want to keep all members informed.

This year I am excited to be Liaison for the Teen, Inspection and Publicity committees; I also serve on these committees as well. I look forward to working with all members and encourage members to come to me with any problems, questions or issues even if you are not in D section. If I can't get you an answer or a solution, I will reach out to my colleagues and get your issue resolved, and your questions answered. I strive to have an "open door policy" so don't be afraid to challenge me. I wish everyone a fantastic, memorable, safe season.

Ellie Christopher - D Section Representative / Inspections, Publicity, Teen Committee Liaison.

FROM WIFI COMMITTEE

It's time to get back to the summer fun! During the winter, the Wifi committee has been working through the details with Armstrong to bring fiber optic internet into the camp and we are targeting July for installation. It is going to be a big job so I beg everyone to please be patient.

There will be times when the net will be down and we will do our best to keep everyone notified. We are confident that the many upgrades will give everyone more reliability and speed. Reminder; the committee does not do hook-ups or maintenance on holiday week-ends. We will be enjoying the fun with our families and friends just as you will be. I thank everyone who has signed up for another year of Wifi, and those who have joined the committee. We appreciate everyone and if you have any questions please feel free to contact us at mcawifi@gmail.com or call 724-374-4106. I personally look forward to seeing everyone this summer and all the fun that has yet to come.

Andi Criscella
Wifi Committee Chair

Please share with your family and friends that I urge everyone to please turn off the Wifi on your cell phones and notepads when entering camp if you are not a paid subscriber. These non connected devices continue to ping our routers which increases a slowdown.

FROM INSPECTIONS COMMITTEE

Well, Happy Spring to all. I hope this newsletter finds you all drying out after a grueling never ending lingering winter. This year, I am the Inspection committee Chairperson and would like for it to be a seamless transition.

A Spring reminder; If you had an air conditioner, extra refrigerator or an electric golf cart on your assessments last year and no longer have them, it is your responsibility to advise the office of your changes. Once they have been inspected and verified, they will then be removed from your assessments. Failure to complete this process will still hold you responsible for these payments and late fees.

Happy Spring Cleaning.

Stacy McDonald
Inspection Committee Chair

FROM E SECTION

Hello campers. 2018, what a relief, winter is finally over, spring is here and we all know what needs to be done. Please again remember that volunteers are what makes the wheels go round. So if you can, do. Sign up for a project, get a friend and pitch in. The satisfaction will be rewarding enough.

It may not be apparent, but many things were accomplished this winter and the things that weren't should be completed soon. Most of all start to enjoy this season, start a fire and have friends over, come up play bingo or just get involved. With everyone's help this could be "The Year to Remember". Please offer your help to make "MCA the Place to Be"

Al Walz - E sec Representative / ERT, Store Liaison

FROM H SECTION

Welcome H Section members to the 2018 camping season. Once again, it is time to clear away the remnants of fall and watch for the subtle signs of spring sprouting from the landscape and trees. I just wanted to say "Hello" and remind all that I am here to assist you with your questions and concerns. Respectfully,

Keith Edwards - H Section Representative / Church Liaison

LEASE VIOLATIONS

The BOD has been paying close attention to Lease Violations. Many letters were sent during the off season to those who we suspected may have been using camp as a residence. Some of those issues have been cleared up, some are still pending. You may not use your camp as a permanent residence.

The Board is unanimous in our decision to take action on those in violation of their lease. We have and are continuing to develop policies to take action in these manners.

Ruby Marcocelli - Vice President / E Section Representative

FROM MAINTENANCE COMMITTEE

LADIES ROOM REMODEL: The long wait is almost over! The newly remodeled ladies bathroom and showers at the A-Frame will soon be open. This project was delayed by some problems that were out of our control from the beginning and I will shoulder the responsibility and apologize to the members for the delay. I am sure everyone will be pleased with the hard work that has been done on this project. Jon, David, Dylan, and Tyler have done an outstanding job with the demolition and the roughing in of new plumbing and now the finishing touches. I would also like to extend our grateful thanks on behalf of MCA members to our friends Tim Murray, Timmy Lipinski and crew for the cement work on the floor (they also did the men's room a few years back). I would also like to thank our friend Kir-tus S. (he wants to remain anonymous) for the material and tile work that he provided to us. These folks will probably be mad at me for mentioning them in this article, but we are proud to have had them contribute their expertise in helping us achieve the final results and I think that they deserve a little recognition. Actually, all our volunteers deserve recognition, so thanks to all of them!

CEMENT PROJECT: The BOD approved the renovation of the cement walkways and sidewalks in front of the A-Frame building to be ADA compliant. This project was also delayed due to weather and scheduling. It will turn out beautifully I am sure, if it isn't done already by the time you are reading this.

STREET SIGNS: We are going to place new street signs throughout the park that will include the MCA logo. This is necessary for emergency responders and it will add to the overall revitalization of the park. We have a couple volunteers that are going to use their equipment to cut out all the reflective lettering and apply to the green background. A rough draft was reviewed by the BOD recently and everyone seemed to like it. We are currently searching out pricing for the material and this will probably be one of those projects that will get done a little at a time over the summer as it involves 145 street signs on poles cemented into the ground. We will keep you updated as the project progresses.

WATER PLANT: The annual shutdown and cleaning of the water plant has been completed. This is now maintenance scheduled and must be done on a yearly basis. The building of this plant a few years back was expensive and we need to protect our investment. Unfortunately, this year as we were almost completed, we had a small fire caused by a faulty fan. The quick response by our crew kept it from being worse. Minor damage has been and is being repaired and no system controls or equipment were damaged or touched by fire. As a precaution, all tanks were again drained, cleaned and refilled. Jon scheduled a new water test so we would be sure of no contamination in the water and recently informed us that we received a clean bill of health on the VOC test. Thanks again Jon for taking care of this.

SEWAGE PLANT: Up and running! This will be our first full year with the plant, so we will be closely monitoring all the functions and controls to make sure everything is running smoothly. We still have a few things that need done down there, but it is all basically cosmetic.

NEW WELL: The BOD is exploring our options for a new water well that will eventually need drilled as *the casing in one of our wells is collapsing and we will need a new source*. We have hired a geologist to conduct a feasibility study and to recommend a drilling site for the future. We have also been informed that a large aquifer in the Slippery Rock area may extend all the way down to our land and if this pans out, we would have no water worries for years to come. More information to come when the study is done.

LIGHTING: You will notice that we are installing new LED energy saving lights and poles in the A-Frame area, and on the back of the A-Frame by the rest rooms. This is to light the area for safety reasons and is part of the BOD's revitalization plan for the park and should be installed before the season opens.

FROM ADULT LOUNGE COMMITTEE

Heather Walz is our new chairperson and Chrissy Mallory is our new treasurer. We are in the process of getting a Wii system with multiple games, Two new TV's and an outside antenna for the Lounge. Chrissy will again have a Super Bingo this year, the date and time will be announced at a later date. If you are interested in joining the committee please sign up at the office.

The Shuffleboard Bowling League will begin on June 5, every Tuesday at 7:00pm. If you are interested in joining the fun, contact Linda Ventrice at lot A-154 or call 412-721-7230.

Bill Oyler - Adult Lounge Liaison

FROM NOMINATIONS & ELECTIONS COMMITTEE

Currently, 4 seats will be up for re-election this coming September. If you have an interest in running for one of these seats, I, along with the other current board members, are more than happy to help you answer any questions you might have.

The following sections are up August 2018:

- B Section for a 3 year term
- G Section for a 3 year term
- H Section for a 3 year term
- At Large for a 1 year term

To run for a section seat, you must own a lot in the section you are running for. At large can be any member from any section. Petitions will be available for pick up sometime in July. Thank you.

It doesn't take just one person to make a change, it takes all of us as a team to keep MCA the great place it is.

FROM RULES AND REGS COMMITTEE

The Rules and Regulation Committee met on Sunday May 6 and will be meeting again on May 20 at noon. Alice McLaughlin has been selected as your chair and Keith Edwards as your Secretary. The committee will be discussing, selecting and then voting on the rules they will present to the membership for voting. Once those rules are decided upon I will post them on the BOD page and we will mail a notice as well as a sample ballot of the voting date and time.

The members of your Rules and Regulations committee are; Alice McLaughlin (Chair), Keith Edwards (Secretary), Judy Gould, Doug Cumens, Cassie Hellmann, Angelo Madonna; Sierra Seibert, Kathleen Ference, Jon Bluedorn, Bill Oyler, Mark McFadden, Lisa Reagan, Denny Kingston, Sue Kingston, Jim McKelvy, Stacy McDonald, Bob Villella and Ruby Marcocelli. If you have any proposed ideas on any Rules or Regs that you feel may need updated or changed, please contact one of these members.

Ruby Marcocelli - By Laws / Rules & Regulations Committee Liaison.

FROM SALES AND PROMOTION COMMITTEE

If you want to use the Sales & Promotion committee services, there is a fee of \$10 per month or \$50 per year. That fee entitles you to a listing in the office and you are also able to provide a set of keys which we will hold in the office. You may pay an additional \$10 for inclusion on our website mcacamplands.org.

If you utilize the services of the Sales & Promo Committee, those committee Members will then be able to show your lot to perspective buyers.

If you are selling your camp and not utilizing the camp sales & promotion committee, you can not send prospective buyers to camp on their own. You must make arrangements to accompany them into camp to show your lot.

Ruby Marcocelli - Sales and Promotions Committee Liaison

The Haunted House that is sponsored by Teens will be happening again this September. We are in need of building materials used and new. If you have any kind of boards, lattice, lights, decorations, costumes or even old clothing that may be transformed into good costumes or scarecrows. All donated items would be helpful and much appreciated. Items can be dropped to Andi Criscella / C-610.

FROM VEHICLE COMMITTEE

Keith Edwards is the chairman and the only member of the vehicle committee. If you have any mechanical abilities and want to volunteer to help repair our camp vehicles please sign up at the office or contact me at lot B-6.

Bill Oyler - Vehicle Committee Liaison

MCA has 5 vehicles with an average age of 16.8 years old. Two of the vehicles have current vehicle inspection stickers and the other 3 vehicles are for in-camp use only. The vehicle budget established for 2017 had doubled by the end of March this year, due to costly repairs to return 2 vehicles to safe operating condition. These purchases included a used truck bed, an intermediate exhaust pipe that included a catalytic converter, battery, brake caliper, power steering pump and axle shaft u joint. While the bed was being replaced, the fuel pump, fuel-filler neck and shock absorbers were also replaced.

MCA's employees and membership's safety are just several factors taken into consideration when making repairs to the vehicles. The camp vehicles have several useful years of service left with cost-effective repairs and regular routine maintenance.

Keith Edwards - Vehicle Committee Chair

FROM TEEN COMMITTEE

The beautiful weather is finally here and we will all be in for a great summer! Teen committee has lined up pool parties, dances, a home show, a hot dog roast, golf cart wash, fishing tournament, Halloween maze, a live band and much more! We would love to have you and your teen share in the fun.

The first Flea Market this year will be on May 26 at the A-Frame. Table pricing is the same as last

year at \$2.00 each or 3 for \$5.00. Flea Markets that are not on holiday weekends, we are requiring a participation of a minimum of six reserved tables or we will cancel.

You don't need to sign up for the committee; we welcome all that would be willing to help with just a single event. A helping hand with setting up or cleaning up, donating or serving food, any assistance in any way would be such a great help as many of our functions require a lot of work.

Brandy Lawrence
Teen Committee Chair

FROM YOUTH COMMITTEE

Greetings..... I get the fun job of being liaison and chairperson of the Youth Committee along with Anita Haun as treasurer. We are excited to present some new activities for our young ones (ages 3-12) as well as some good old favorites! Returning this year will be candy hunts, movies on the teen rec hill, Wednesday Youth Bingo, and Christmas in July with Lunch with Santa. We are working on opening up the Youth Room for craft times for the kids, rainy day games, but also getting out in the sun for sports and fun field games. Please make note for these very special event dates listed below when we will need all hands on deck.

Saturday May 26 - Welcome to Summer Fun Fair 12pm - 4pm

Saturday July 7 - Field Day 12pm - 4pm

Saturday July 21 - Lunch with Santa - 11am - 1:30pm (doors open 10:30)

Saturday, Aug 11 - Beach Party Day - 12pm - 4pm

Saturday Oct 13 - Camp Halloween - Many volunteers needed!

Every Wednesday - Youth Bingo (doors open at 6:30)

Volunteer sign-up sheets will be in the Youth Room, or can be sent via email to conlonpm@gmail.com. The full Youth Calendar will be shared on Google Calendar.

FROM SOCIAL COMMITTEE

Welcome back MCA Campers.

The new Social Committee has started for the 2018 season. On our committee is George and Bridget Mills, Tricia Ann Roberts and our Social Liaison is Art Knox. We are all excited and anxious to get started for the season and have set up many events. We all look forward to making some great memories with yinz or ya'll "lol". Please stop by the office to get a copy of the new schedule of events.

Coming up for Social is bingo, many dances with DJ's and bands, a Homecoming dance in June, an Adult Pool Party, Fireworks in July with the parade, dance and a couple of Painting Parties.

We as your Social Committee would like to do our best to enhance your camping experience this year and enjoy time with your family and friends. One thing we would ask of every camper this year is to please, contact and communicate with us personally on what you like or don't like about an event and share any ideas or suggestions. Facebook and Social Media breaks true communication and we are volunteering our time to help create fun for everyone.

We hope to see you at one or all the events around camp this season,

Bridget Mills - Social Committee Chair

FROM SPORTS COMMITTEE

Happy summer everyone! It's so good to be back at camp and out from behind those same four walls at home. I am so excited for this summer's events and can't wait to see how much fun everyone is going to have. The three holiday weekends we will have the "Golf Balls in the Raft" on Saturdays and "Horseshoe Tournaments" on each Sunday.

The Annual Golf Outing will be at Green Meadows Golf Course on Saturday, July 21. You must sign up and pay by July 14. The cost is \$70 per person, which includes golf fee, golf cart use and our wonderfully delicious dinner at the Memorial pavilion following the outing. You are welcome invite any friends or family. You may sign up with Kathy McNeill/D-104, Dave McLaughlin/H-35 or Sierra Seibert/D-36.

Last year some of the guys were talking about possibly having a golf tournament against Slippery Rock Campground. If we get enough people interested, we will try to make it happen. We are also thinking about having a Corn Hole Tournament and if we can get enough people interested we will do that too.

We have also been looking into cleanup and repairs to the Bocce Courts. If you have any time and would like to help, please let us know.

I wish everyone a fun and happy camp season.

Alice McLaughlin - Sports Committee Secretary

The A-Frame Ladies Room is now open!

Please be respectful when utilizing any of our bath houses and dispose of any items properly. *Things to never dispose in a toilet* both in our bath house and in your trailer.....Cotton Balls, Paper Towels, Dental Floss, Facial Tissue, Flushable Wipes, Band-Aids, Diapers, Pills, Feminine Products, Cigarette Butts, Hair, Anything Plastic.

Please fill out a work order at the office if you notice any leaks, clogs or damage.

FROM POOL COMMITTEE

Sierra Seibert is the Pool Committee Chairperson. The committee is sponsoring two beach parties at the lake this year, the first one will be on Saturday, June 16, at 1:00pm and the second will be on Saturday, August 11, at 12pm which will include the anything that floats race at 4:00pm. It is always a fun time so please plan to attend. If you are interested in joining the pool committee you can sign up at the office.

Bill Oyler
Pool Committee Liaison

Please note

we will continue our policy of no lifeguards and swim at your own risk at the pool and lake. We will have pool attendants for *supervision and enforcement* of the pool rules. Everyone is expected to observe and obey all pool rules at all times.
