## FROM THE VICE PRESIDENT

Well, Ok.... I guess I can almost welcome the membership to the 2020 camping season at MCA. Things sure have drastically changed in the last few months but we seem to be weathering the storm pretty good. I would usually start here and give you the standard welcome back, watch your speed, obey your rules etc. etc. etc., Instead, I would like to say that I have noticed people are kinder to each other, people are more willing to help their neighbors in need and so on. If this is the "new normal", then I am ready to sign up because it is what MCA should all be about. Life is very frail we have discovered that anyone can be here today and gone tomorrow so don't be afraid to check on your neighbors, help someone out that needs help, or at the very least, just say *hello*. Looking forward to an enjoyable season provided the Governor lifts the guidelines and first and foremost that we are all safe. Activities are up on the air at this moment and the committees are planning some things if they are able. We have new folks running the camp store, so please drop by (while social distancing) and say *hello*. Jon and the maintenance crew have completed some projects and are working on others. There are a lot of things that still need done, but they are working hard at accomplishing what we need done. We have a new office coordinator, Bambi and Diane is our new office employee. If you are down that way, lift the mail slot, just kidding (remember social distancing) and say *hello*. I will not have a maintenance report in this newsletter. I will update that report on the July 4<sup>th</sup> edition after I have completed my ride around the camp and see what still needs done.

Continued on Page 2

*Many prayers to those in our Camp family that has lost a loved one over the winter months.* 🙏

## COMMITTEE LIAISONS

**Board Of Director Meetings**  
**First Saturday of every month**  
**A-Frame Dining Hall**  
**9:00am**  
**ALL MEMBERS WELCOME**

ERT Emergency Response	Bob Vilella	Teens	John McFadden
Inspections	Chris Mooney	Youth	Dawn Grady
Lake	Keith Edwards	Vehicles	John McFadden
Maintenance	Mike G /Bob V	Wifi	Cassie Hellmann

## FROM YOUTH COMMITTEE

Hello camp family,  
My name is Laurie and I am the chair for the Youth Committee this year.

We have a lot of nice activities planned and are eager to get things started once restrictions loosen up. I'm looking forward to working with Teens and WiFi to bring forward activities for all ages. We have also been working on some backup activities in case we have to modify things with restrictions. We have a great team with the committee's this year. I'm looking forward to a great camping season!

Laurie Ann Lecocq  
Youth Committee Chair

## REMINDER!

**UNDER NO CIRCUMSTANCES WILL CASH IN EXCESS OF \$25.00 BE ACCEPTED AT THE OFFICE! YOU MUST PAY BY CHECK OR MONEY ORDER ONLY!**

**Please ensure that you get a receipt for all cash /check transactions that you make in the office.**

Continued from page 1

Our Lake fire pit project will be completed by Memorial Day weekend (I hope, if the weather cooperates). Only problem will be no fires if we are still under social distancing guidelines. Remember to check with the office **first** before starting **any** building projects. We need to follow the building permit rules for any construction. Permit violators unfortunately will be fined, so please follow those rules. You must apply for our permit before you can get one from Brady Twp. then you must follow their guidelines as well. It's a new world folks, I could have very easily submitted my article by just saying "Hello, and welcome back Members", that would be enough for me, but we do have to remind you of some things. Enjoy your camp.

Bob Villella - Vice President / G-Section Rep / Co- Liaison to Architecture, Security & Management, Maintenance and Camp Store

## FROM A SECTION REP

Since the beginning, for decades, MCA has been fortunate in having many, many volunteers step up to the plate and give their time, energy, and knowledge for so many fun and fulfilling activities, hands on projects and expertise.

When you invest in your campground, you take pride in accomplishments, and it impacts the lives of so many. It's a connection to others, and creates a personal bond.

Rather than just saying, "I don't mind helping, but I don't want to join a Committee", consider contacting those "hands on Activity Committees" early and arranging a few dates in advance. It would surely help the planners who are still carrying the tradition of causing a great experience for all, young and old! Don't just leave it to a few. We have so many talents here, give your time, it's a great way to instill values in our children, our future! Make MCA a better place.

Anita Scolaro - A Section Representative / Sales & Promo, Pool & Sports Liaison

## FROM SALES & PROMO

On a daily basis, potential buyers contact the office, or just show up to see what MCA has to offer. They are given a current listing of Lots that are for sale that includes price and what's included at a glance. A key is provided in the office and only given to S&P volunteers. The fee to be listed is \$50.00 for 5 months.

Why pay vs just posting a sign on your Lot:

You don't have to be at camp, people that drive a distance can see the inside of your trailer that day (otherwise they may not return), volunteer members are responsible for monitoring while it's being viewed, and securing your property.

We are not sales agents, volunteers have no knowledge of what the condition or value of your listing is, they just take potentials to the Lots they choose that are primarily on the Sales List. Seeing the inside is always a plus!

The List is updated monthly/weekly, depending on additions or deletions.

Deletions are the result of a positive outcome!

Anita Scolaro - Sales & Promo Liaison

## FROM A SECTION REP

I would like to take this opportunity to welcome everyone back to the 2020 season. A bunch of work has been done over the winter and a lot more is ongoing. Our maintenance workers and office staff have been busy! The PA and CDC restrictions have made life difficult for everyone, but I would ask for everyone to please be patient. The youth/teens/wifi have some great things planned. If you are available, I would ask for you to volunteer and help a committee you're interested in. Lastly, be smart and safe. Lets have fun and make an enjoyable summer. Any questions or concerns don't hesitate to contact me. John McFadden - A section rep / Teen, Vehicle Liaison

John McFadden - A Section Rep / Teen & Vehicle Committee Liaison

## FROM WiFi COMMITTEE

Welcome back MCA, this year the Teens, Youth, and WiFi have planned an awesome combined schedule of events for all to enjoy and hoping for the County to turn Green so we can start enjoying these events. I hope everyone has had a good and safe winter and I look forward to seeing you all. The Board has approved and WiFi is now available for free to all campers but can only guarantee good signal strength at the a frame. We are hoping to be able to work on it everywhere else in camp but at this time everything is very uncertain. When we are able to have our events please consider donating to the WiFi, Teens and Youth. This will help to keep the WiFi open and pay for some other great things our committees have planned for camp. We are still here if you have any WiFi questions, don't hesitate to contact us via email at [mcawifi@gmail.com](mailto:mcawifi@gmail.com), call/text 724-374-4106, Facebook message me or just stop by C-610. I am always happy to try to help!

Andi Criscella - WiFi Chair

## FROM D SECTION REP

I Hope everyone is doing well and I'm sure you are all as anxious as I am for summer fun to begin. Opening camp is always a task for all of us, and with everything that is going on, I'm sure some of you may need a helping hand. Feel free to find me at D-36 or email me at [MCACamp@Yahoo.com](mailto:MCACamp@Yahoo.com).

As many of us have different opinions about this Covid-19, I would like to ask everyone to please be considerate to others. Along with the Seniors in our campground, there are many others of all ages that may have health issues that we are not aware of that can easily be at risk. Hopefully soon this will pass and we can all enjoy our camp.

As of now with the many restrictions still in place, a lot of the scheduled committee functions are cancelled but please know, they have been communicating and trying to create some fun activities that can be done within our guidelines. Just as volunteering is always a great help, sharing any suggestions you may have may create a fun day. If your not sure how to contact someone, you can always leave a note at the office and they can submit it to the committee.

And remember, Just sitting around a camp fire is always fun and relaxing!

Sierra Seibert - D Section Rep / Publicity Committee Liaison

## FROM LAKE COMMITTEE

The Lake Committee, with Board approval, has been working on a community fire pit located next to the Gateside Pavilion. Construction had started last fall with a tentative completion date of mid May depending on Covid-19 restrictions. Each community fire pit event must be sponsored by one of the MCA Committees and it is open to the entire membership. The Committee's ask for small donations of firewood to be used during an event. The following guidelines have been developed, Board approved and a copy of them are available at the Office. Please contact committee liaisons for additional information regarding these guidelines for further clarification if necessary.

### Firepit Guidelines:

Any use of the firepit must be committee sponsored and attended.

Sponsoring committee members must be present at all times and must appoint a member(s) to maintain the fire and extinguish the fire. This information must be provided to security staff also.

All current and future MCA and Committee Rules and Regulations are to be observed at all times.

Parents and/or guardians are responsible for monitoring their children.

Emergency services phone numbers must be available at all committee sponsored events.

Cleanup must be completed by established quiet hours.

Ash from fire must be deposited in the approved metal ash container and dumped at the designated waste site by 10AM the following morning by sponsoring committee personnel.

Ash from fire must be deposited in the approved metal ash container and dumped at the designated waste site by 10AM the following morning by sponsoring committee personnel.

Follow established parking guidelines of one (1) golf cart deep along the road.

Keith Edwards - G Section Representative / Lake & Church Liaison

## FROM E SECTION REP

Hello all, I am Keith Young one of your E-section board representatives. I hope you made it safe through the winter. If you have any questions about camp feel free to contact me at my lot E-41 or on the camp page and I will try and answer your questions and if I don't have the answer I will do my best to get you the answer or send you to the person that can hopefully get you the answer. I also am the liaison to the board and chairperson for the adult lounge committee. The adult lounge committee has got the bowling machine in the lounge fixed and ready for use. We are planning on painting the lounge this year if you have any supplies to this that you would like to donate please contact me. Things we could use is brushes, rollers, paint pans, drop clothes. Also, we would like to replace the cabinet around the sink and possibly the sink and fixtures if you have any you would like to donate or build a new cabinet please contact me. Other things that are lower on the list but would like to address is the entertainment cabinet it is starting to show its age and could use a replacement. And the bar could use a makeover. Any volunteer help for materials and labor you can contact me. The adult lounge plans having Dart and pool tournaments if the restrictions of covid19 are lifted the first is scheduled for memorial week sat the 23rd of may 1.00pm at the lounge pending the restrictions being lifted. Let's all have a wonderful summer hope to see everyone in camp this summer having fun.

Keith Young -E Section Representative / Adult Lounge Liaison

### **Covid19 Butler County Yellow Phase Still Restricts Gatherings of 25 or more!**

We must follow the guidelines issued by the Governor  
and are in constant communication with the Commissioner  
as to what we can open and when.
