Moraine Camplands

From the President

Hello Campers,

Welcome back campers and welcome to our new members; who's ready for a fun camping season? I hope everyone had a healthy and happy winter! I know that I am ready for sunshine and being able to use my new trailer this year.

Our maintenance staff has been working hard this off-season getting MCA ready for Memorial Day weekend. Be sure to check out our updated ceiling and paint in the A-frame hall or the freshly painted bath houses. Please remember you must fill out a work order in the office if something needs to be addressed with our maintenance staff. Be sure to try and meet our staff, Brenda, Ron, Rich, Aaron and Bill.

Our office staff has been busy posting our dues & assessments and answering your every question. Be sure to stop in the office and get your stickers and turn in your golf cart insurance card. Heather and Dawn keep our office running smooth.

The Activities Committee has been busy planning events; looking forward to a fun summer at MCA. We've had several volunteers sign up, but additional volunteers are still needed; please consider volunteering for an event this summer.

The Maintenance Committee has installed our new/used playground equipment. Be sure to check it out throughout the campground; thank you volunteers. Be sure to look for an opportunity to volunteer when they start to give our mini golf a much-needed update. Thank you to the members that made generous donations to assist with this mini golf project.

MEMORIAL DAY

Continued from page 1

Motion 04062024-10

Vallecorsa/Christopher:

Lock out payments will start May 1st of each year. MCA will no longer accept personal checks. Any funds owed for late dues and or assessments must be paid by money order or certified check.

The Rules & Regulations Committee has been working hard at updating several items under our rules and regulations. Be sure to look for the updates; remember to come out and vote on those changes.

Our Audit & Budget has kept us on track and balanced. They worked very hard over the winter on our budget for this camping season. Nobody wants to raise dues, but we cannot avoid the increases that have hit us all hard.

Our Inspection Committee has been working hard driving through MCA removing and adding assessments for members. Please remember if you need an assessment removed you must fill out a form in the office.

I am excited for Linda, Rege and Bob to get their store up and running! Looking forward to "Munchies & More" coming to Moraine Camplands.

May we all have a safe and blessed camping season. **–Tracey Vallacorsa**

INSPECTIONS

The inspection committee has been hard at work. The committee has completed all requests for removal of air conditioners, extra refrigerators and electric golf carts.

They are now checking on lots for overgrown grass and deplorable conditions. Please make sure your lot is clean and tidy. Also, please make sure your lot and trailer are labeled with the section and lot number. This is extremely helpful and needed for safety reasons.

Thank you for your extra efforts to keep our camp clean and neat.

Golf carts need to have the section and lot number on the front and back. Your golf cart must also have an up to date sticker verify insurance.

Happy Camping! **Marcy Mammay E-Section Rep**

MCA Memorial Day Weekend

Monday	MAY 27	MCA	MEMORIAL DAY-INVOCATION CEREMONY	12:00	MEMORIAL PAVILLION

Message from A Section Rep

Hello Campers,

Welcome back, you were missed. You will notice a more vibrant MCA this year. Volunteers and employees have been busy beautifying the camp before your return. Driving in the gate you will notice the beautiful flowers.

The Camp Store has new owners Linda Revetta and Bob Villella. It has returned to a camp store and a restaurant. There is a little bit of everything in the store. There is a wide variety of items on the food menu to enjoy. Take the opportunity to browse the store, you won't be able to leave without buying something you didn't know you needed.

Take the time to get involved with a committee or just help with a project. To continue activities within the campground we have to have additional people involved. Have a wonderful 2024 camp season. **Kelly McDonald A-Section Rep**

Message From G Section Rep

Hello members and families and welcome back to the 2024 MCA camping season. Please be aware that the speed limit in the entire campground is 10MPH. Please protect our children and adults. Security will be enforcing your rules, such as the absence of lot numbers on the front and back of your golf cart, lot numbers must also be on your lot as per Brady Twp. ordinance. This is helpful in cases of emergencies. Enjoy this season safely and have a great time. **Bob Villella-G section rep**

Publicity MCA Website

Hello Campers,

You don't have to go on Facebook for your camp information you can get it on the Website.

MCACamplands.org.

The Website has a great deal of information including the Rules & Regs, Bylaws, updated camp events, board member information and there is a page to advertise. For a small fee you can advertise your business as well as a camp for sale. Send your email to:

MCAPublicity281@gmail.com
